

WALK AND TALK

Staff photo by Joe Pielan

DANNY GARCIA, AN EX-MARINE AND ORDAINED MINISTER who has walked more than 25,000 miles around the world to benefit world peace and children's causes, does a radio interview over the phone as he walks along West River Road on Thursday in Sidney on his way to Waterville. Garcia teamed up with Ina Anahata and Esu Anahata of the Barka Foundation on the 500-mile Peace, Water & Wisdom Walk, starting from New York on May 11 and ending in Bangor on Saturday. The walk is a campaign to raise awareness about the importance of making clean water available to the rural population in Burkina Faso, West Africa.
