

To Whom It May Concern:

Danny Garcia is a dear brother in the Lord who has been attending and serving at Cornerstone Chapel for several years. He has been in the pulpit to share his testimony and is helping lead our Spanish Outreach ministry.

Both the Senior Pastor and I have gotten to know Danny well. He is a humble servant who simply desires to walk by faith and not by sight. The Lord has used Danny in some powerful ways in previous walks and we are excited to see how the name of Jesus is glorified as he walks from the Dominican Republic to Port au Prince, Haiti. He goes with our blessing and our prayers.

In Christ,
